Inter-cultural Communication: Beyond Language | annisasyam

Summary Part 1 of 8. Beyond Language, Levine and Adelman (1993) Cross-Cultural Contact with Americans. Defining about cross cultural contact with Americans is contact in communication which is held with Americans that is influenced by culture elements, such as value, belief, behavior, attitude which can cause reaction and response among people who do the contact.

Beyond Language, Beyond Culture

Our main focus is on creating cross-cultural awareness, adapting to these known differences whilst improving your communication skills with the level of language that you already have. We strive to concentrate more on achieving a global mindset and in improving your interactive abilities rather than drilling you on the English language.
