Trapped: slavery in the 21st century - New Mandala

Sadly, it is very much a modern 21st-century problem. It is also often right in front of your eyes. From fishing boats off the Andaman Sea trawling for shrimp that ends up in products on shelves in supermarkets, through to agricultural workers in southern California picking oranges to labourers on trawlers in the Irish Sea, the practice is pervasive and the numbers are huge.

California eyes shuttered malls, stores for new housing

California needs to build about 180,000 new housing units per year to keep up with demand, according to the state's latest housing assessment. But it's only managed about 80,000 per year for the past decade. That's one reason the state's median sales price for single-family homes hit a ...
