Quick Reference Guide Templates. The following quick reference guide templates are sample layouts you can use as starting points when you brainstorm layouts for your documents. To add your quick reference guide here, feel free to send it to me at tomjoht@gmail.com.

How To Design A Quick Reference Card - The eLearning Coach

An effectively designed quick reference card provides a concise way to organize information in a small space that is easy to use and read. It serves as a cognitive aid and is an effective way to support work performance. Wikipedia calls it “a concise bundling of condensed notes about a specific topic.”
