Foundation paper piecing with freezer paper – tutorial ...

4/7/2015 · Step one; make freezer paper templates. I cut freezer paper A4 size and printed through my printer on the dull side. Of course you can draw lines by hand too. Step two; cut the fabric as you need. I normally cut them with 3/8" seam allowance for paper piecing and this doesn't need to be very precise. Step three; Iron a first fabric onto the freezer paper.

The Complete Guide to Freezer Paper Piecing

Line up Fabric 1 to the foundation and press the freezer paper foundation to the fabric. Press section 1 up to the seam line between sections 1 and 2. 2. Then, line up the next fabric, Fabric 2 (my Fabric 2 is dark yellow), just as you would in paper piecing, right sides together. You'll want to make sure the fabric is large and long enough to cover the entire shape. 3.
