From Dawn to Decadence: 500 Years of Western Cultural Life ...

*From Dawn to Decadence is one of those wonderful books that cannot be categorized. Some reviewers have compared it to *The Education of Henry Adams*, the great intellectual auto biography that seemed to sum up the last fin"de"siècle. The comparison does no injustice to either work. Jacques Barzun was born in 1907, and so has lived through a not insignificant slice of the period he covers ...*

The product of the author's lifetime, this powerful narrative, instersperses the author's analysis of wars, philosophy, science, manners, sex, religion, morals, art, et al, from the Reformation to the present day, with biographical sketches of influential historical figures. His conclusion is that the decadence of the current age is merely a watershed for a new age in which Western
