Social Networking Sites and Addiction: Ten Lessons Learned Chapter 6: Capacity Building The Mental Health & Psychosocial Support Network

Social Networking Sites and Addiction: Ten Lessons Learned

17/3/2017 · 1. Introduction. The history of social networking sites (SNSs) dates back to 1997, when the first SNS SixDegrees emerged as a result of the idea that individuals are linked via six degrees of separation [], and is conceived as “the small world problem” in which society is viewed as becoming increasingly inter-connected []. In 2004, Facebook, was launched as an online community for students ...

Chapter 6: Capacity Building

• *Networking skills to provide access to environmental public health experts whom decision-makers can call on for information (for example, regulators might need to know who the university subject matter experts are that they can consult if they have questions, as well as how to locate information on environmental public health).*

The Mental Health & Psychosocial Support Network

10/11/2021 · The network functions as an online community of practice for mental health and psychosocial support in challenging humanitarian and development contexts. Connecting Connect with practitioners, policymakers and researchers from more than 100 countries worldwide, including members from low, middle income and crisis-affected countries with the aim for peer support and professional ...
