History of Tanzania - Wikipedia

Nyerere's government had made Ujamaa the philosophy that would guide Tanzania's national development; 'the government deliberately de-emphasized urban areas to deconcentrate and ruralize industrial growth (Darkoh, 1994). the main urban area of Tanzania, Dar es Salaam, was for several long decades the main victim of this de-

emphasis, largely because it 'remained for Nyerere a reminder of a ...

Tanzania | U.S. Agency for International Development

10/9/2021 · Tanzania is one of Africa's fastest growing economies, however, widespread poverty persists. Almost half of Tanzania's population is living on less than \$1.90 per day. High population growth and low productivity in labor-intensive sectors like agriculture, which employs 75 percent of the population, limit broad-based economic growth. While Tanzania's natural resources are an asset to the ...
