[PDF] [EPUB] In Defense Of A Liberal Education [FREE]

In Defense of a Liberal Education - Wabash College

The argument of Fareed Zakaria's book is precisely what the title indicates: a liberal education is worth defending. Zakaria begins by describing the oft heard opinion that studying the liberal arts, especially in an age of technology and global business, is a waste of time, and how in India, a skills-based education is valued much more than one centered on the study of history or philosophy.

THE ADVANTAGES OF A LIBERAL EDUCATION – FAREED ZAKARIA A good education system must confront the realities of the world we live in and educate in a way that addresses them, rather than pretend that these challenges don't exist. The central virtue of a liberal education is that it teaches you how to write, and writing makes you think.

In Defense of a Liberal Education: Zakaria, Fareed ...

A liberal education provides the foundation for finding your voice, writing, speaking your mind, and ultimately, learning—all immensely valuable skills no matter your profession. Technology and globalization are making these skills even more valuable and necessary as routine mechanical and even computing tasks can be done by machines.

In defense of liberal education | Inquirer Opinion

10/4/2015 · *The liberal arts thrive in criticism. But students need to know why—and how. While a lot is objectionable in the thoughts of Jean-Paul Sartre, one would not really be able to question his points unless one understands what he meant when he said that “existence precedes essence,” which can be translated into the idea that man has no history.*

Association of American Colleges & Universities*

In Defense of a Liberal Education – Education

CNN host and best-selling author Fareed Zakaria argues for a renewed commitment to the world’s most valuable educational tradition. The liberal arts are under attack. The governors of Florida, Texas, and North Carolina have all pledged that they will not spend taxpayer money subsidizing the liberal arts, and they seem to have an unlikely ally in President Obama.

Liberal education - Wikipedia

A liberal education is a system or course of education suitable for the cultivation of a free (Latin: liber) human being. It is based on the medieval concept of the liberal arts or, more commonly now, the liberalism of the Age of Enlightenment. It has been described as "a philosophy of education that empowers individuals with broad knowledge and transferable skills, and a stronger sense of ...
