**Women's Language - Changing minds**

*Women's Language . Explanations > Gender > Women's Language. These are ten elements of the language that women use, as identified by Robin Lakoff in 1975. Of course, not all women use all of this language all of the time, and some may question the whole.*

### **TNIV Gender Neutral Bible Controversy: Various Authors ...**

*Over the past few decades, society at large has rapidly altered its language and customs in order to try and erase any distinctions between men and women. Although evangelical publishers resisted these trends for many years, their recent attempts to produce gender-neutral English translations of the Bible show just how powerful the pressure is to conform Scripture to prevailing cultural norms.*
