[DOWNLOAD] Louis Braille The Boy Who Invented Books For The Blind Scholastic Biography

Louis Braille: The Boy Who Invented Books for the Blind ...

This book draws the reader into the extraordinary life of Louis Braille, starting from his childhood. It enables you to experience what Louis went through and also how he felt. Now whenever I see or think about the Braille symbols in an elevator, admiration arises anew from my heart for Louis, who dedicated most of his life to the education of the visually impaired.

world, and is the blind person's equivalent to the sighted person's pen and paper.

Louis Braille: The Father of Literacy for the Blind ...

Louis Braille entered the Royal Institute for Blind Youth when he was ten years old. The school was housed in a damp, drafty old building with echoing halls and steep, winding stairways. The boys ate meager meals of porridge with slabs of doughy bread. The school had few books for the children to read.
