Active-Learning Theories (constructivism,...) and Teaching ...

1A. Theories of Learning Here are some introductory overviews of modern “active learning” theories: • An introduction to theories about Learning & Cognition is Joyce Alexander's overview-summaries of learning theories, behaviorism, cognitive information processing, meaningful reception learning, cognitive development, and constructivism.

Scientific Reduction (Stanford Encyclopedia of Philosophy)

8/4/2014 · The English verb ‘reduce’, derives from the Latin ‘reducere’, whose literal meaning ‘to bring back’, informs its metaphorical use in philosophy. If one asserts that the mental reduces to the physical, that heat reduces to kinetic molecular energy, or that one theory reduces to another theory, one implies that in some relevant sense the reduced theory can be brought back to the ...

Childhood Apraxia of Speech - ASHA

Childhood Apraxia of Speech Versus Developmental Apraxia of Speech. The Committee recommends childhood apraxia of speech (CAS) as the classification term for this distinct type of childhood (pediatric) speech sound disorder. Beginning with the first word in this term, two considerations motivate replacing the widely used developmental with the word childhood.
