Ebook - Wikipedia

An ebook (short for electronic book), also known as an e-book or eBook, is a book publication made available in digital form, consisting of text, images, or both, readable on the flat-panel display of computers or other electronic devices. Although sometimes defined as "an electronic version of a printed book", some e-books exist without a printed equivalent.

#1 New York Times bestselling author Diana Gabaldon returns with the newest novel in the epic Outlander series. The past may seem the safest place to be . . . but it is the most dangerous time to be alive. . . . Jamie Fraser and Claire Randall were torn apart by the Jacobite Rising in 1746, and it took them twenty years to find each other again.

Humanities - Wikipedia

Humanities are academic disciplines that study aspects of human society and culture. In the Renaissance, the term contrasted with divinity and referred to what is now called classics, the main area of secular study in universities at the time. Today, the humanities are more frequently defined as any fields of study outside of professional training, mathematics, and the natural and social sciences.

Why You Should Have Never Had Kids (If You Want To Be ...

22/8/2017 · The damage is not merely esthetic (stretch marks, National Geographic tits etc) but physical to the point of being crippling, even fatal. The damage is life-changing. A new mother who once enjoyed running marathons is hobbled by the body damage you listed as well as vericose veins, vaginal-anal fistula, hernia that never goes away.
