Pharmacotherapy for Post-traumatic Stress Disorder In ...

Clinical Practice Guidelines. In 2010, the Department of Veterans Affairs and the Department of Defense (VA/DoD) updated their clinical practice guidelines for the management of post-traumatic stress. 1 These guidelines were originally issued in 2004 in an effort to bring evidence-based practice to clinicians who were treating trauma survivors and patients with stress disorders in the VA/DoD.

Practice guidelines regarding psychologists' involvement ...

Finally, the task force considered specific implications of the APA's (2002b) Ethics Code for psychologists' involvement in the practice of pharmacotherapy. The guidelines presented in this document are intended to provide a resource to psychologists interested in the issue of what represents optimal practice in relation to pharmacotherapy.
