22/11/2021 · Also in the spotlight is the growing role of public-private partnerships (PPPs), health and safety standards, business resilience, preparedness for crises and future risks, logistical support for business in light of the new realities, and identifying the necessary tools to facilitate investment in the post-pandemic stage.

Benin Overview: Development news, research, data | World Bank

2/11/2021 · Benin's economy is heavily reliant on agriculture and the informal reexport and transit trade with Nigeria (20% of GDP). In 2020, the poverty rate was 45.9% and real GDP fell to 3.8% in the wake of the COVID-19 crisis. Public spending was the primary driver of growth and higher food prices pushed inflation to 3% in late 2020.
