*Taguieff is the author of several well-regarded books on nationalism and racism. In Rising from the Much he brings all of his impressive intellectual powers to bear on exposing an uncomfortable truth most Europeans are aware of. Although his is not the first study to explore the new anti-Semitism, it is the best informed and most cogently argued.*

### **The New Anti-Semitism | VQR Online**

*The rise of the "new" anti-Semitism has again raised the question of whether the creation of Israel has made Jewish life in the diaspora any more secure than during the Nazi years, let alone in the Jewish state, where its citizens face an even greater threat in the form of suicide bombers. Are Jews any safer today because of Israel?*
