User Manual | Nuitka Home

For Python 3.3/3.4 and only those, we need other Python version as a compile time dependency.. Nuitka itself is fully compatible with all listed versions, but Scons as an internally used tool is not. For these versions, you need a Python2 or Python 3.5 or higher installed as well, but only during the compile time only. That is for use with Scons (which orchestrates the C compilation), which ...
