We provide documentary analysis of the interpolation of leadership into policy development in Scotland following the OECD (2007) report, and offer a small scale illustrative study of the implementation of the Leadership Standards for Social Justice in Scotland (GTCS, 2012).

What is social policy? - LSE Home

Social policy addresses how states and societies respond to global challenges of social, demographic and economic change, and of poverty, migration and globalisation. Social policy analyses the different roles of: national governments, the family, civil society, the market, and international organisations in providing services and support across the life course from childhood to old age.
