6/8/2019 · Learning to love, like other arts, demands practice and concentration. Even more than any other art it demands genuine insight and understanding. In this classic work, Fromm explores love in all its aspects--not only romantic love, steeped in false conceptions and lofty expectations, but also love of parents, children, brotherly love, erotic love, self-love, and the love of God.

Development of Classical Landscape Art in Italy
Meanwhile landscape had been developing on rather different lines in Italy. Thus a tendency to idealism and breadth of vision led to the treatment of landscape, especially in the sixteenth century among the Venetians, in broad and simple masses of conventional colour and tone to harmonize with the glowing colour-schemes of
