### **The end of men? Cardboard man is dead. Now let's redefine ...**

*30/9/2012 · The End of Men is not much of a title for a book, and even less of a meaningful prospect. As its author would agree, what my half of humanity really needs to do is fold up our cardboard ...*

### **It's Not the End of Men - The American Prospect**

*10/6/2010 · Sure, we occasionally see articles lamenting the end of traditional femininity and the difficulty of finding a submissive woman who derives all of life's pleasure from nurturing her family. But a far more common modern lament is the demise of masculinity. In 2000, Susan Faludi explored "the betrayal of the American man" in Stiffed.*

### **Masculinity - Wikipedia**

*Masculinity (also called manhood or manliness) is a set of attributes, behaviors, and roles associated with men and boys. Although sociologists think of masculinity as socially constructed, there is also widespread recognition that some behaviors considered masculine are influenced by both cultural factors and biological factors. To what extent masculinity is biologically or socially influenced ...*
