Education - Wikipedia

Education is the process of facilitating learning, or the acquisition of knowledge, skills, values, morals, beliefs, and habits. Educational methods include teaching, training, storytelling, discussion and directed research. Education frequently takes place under the guidance of educators, however learners can also educate themselves. ...

Native Americans in the United States - Wikipedia

Native Americans, also known as American Indians, First Americans, Indigenous Americans and other terms, are the indigenous peoples of the United States; sometimes including Hawaii and territories of the United States, and other times limited to the mainland. There are 574 federally recognized tribes living within the US, about half of which are associated with Indian reservations.

About the TKT tests | Cambridge English

Module 1 – Background to language learning and teaching This module tests candidates' knowledge of terms and concepts common in English language teaching. It also focuses on the factors underpinning the learning of English and knowledge of the range and functions of the choices teachers have at their disposal to cater for these learning factors.
