*18/7/2018 · The Nation-State Bill is a Basic Law that, for the first time, anchors in law Israel's status as the "national home of the Jewish people." Among its 11 clauses, the bill defines such things as state symbols like the flag and national anthem, the official language, national holidays, the Sabbath, the capital Jerusalem, relations with the Diaspora, and of Jewish settlement.*

## Download The Israeli Nation State

*The Jewish Nation State Law should be read in conjunction with the Basic Law on Human Dignity. Significantly, the new Basic Law doesn't directly detract from the Human Dignity law's commitment to Israel as "Jewish and democratic," to equality under the principle of human dignity and to "the spirit of the principles set forth in the Proclamation of the Establishment of the*
