The Skin Map (Bright Empires Book 1) eBook: Lawhead ...

“The Skin Map” is part of his five-book “Bright Empires” series, so there is plenty more to this adventure. All in all, I found “The Skin Map” to be a delightful story that showed a lot of promise for the series. It’s also further proof that Stephen R. Lawhead is among the great writers of historical fantasy right now.

THE SKIN MAP by Stephen R. Lawhead | BookHound

10/1/2012 · Stephen R. Lawhead embarks on a new and entertaining old school fantasy trilogy with some interesting new twists that include string theory and multiple earths. I enjoy the quest aspects of The Skin Map , his first book in his Bright Empires trilogy, the large casts of characters all set out to chart their own courses, the unrelenting eye to detail, and the hybridization of scientific thought.
