Victa 2 Stroke repair? | Somersoft

25/4/2005 · I just inherited an old Victa 2 stroke from my mum who reckons it was running fine a year ago. Plan was to leave it at the student rental. I changed the fuel, cleaned the plug and started it. It ran like a beaut and I mowed the front lawn. Started the back lawn and it just stopped. Stopped dead like a spark problem (but there is a good spark).
